### KELLY'S MEN BUY LAND.

Army of the Unemployed Reassembles and Defies California Sheriff.

Sacramento, Cal., March 19.—One hundred and fifty men—the remnant of "General" Kelly's army of the unemployed—laughed at Sheriff Ahern, of Sacramento, Cal., Tuesday.

When the sheriff received word that the scattered members were reassembling in a ranch, four miles north of the city, he collected a force of deputies and went to the scene. At the ranch he found a band of men engaged in erecting tents, shacks and the order was given to his posse to drive them out. The deputies responded with a will, but were halted at the boundary of the camp by a man with a legal paper.

The document proved to be a contract for the purchase of one acre of land for which \$70 had been given as a first payment. There was nothing for Sheriff Ahern to do but retire while the unemployed hooted and jeered.

City and county officials of Sacramento were in a quandary tonight. Leaders of the unemployed boasted that they would provide quarters for 1,000 men on the acre of ground that defied the authorities to prevent the reassembling of the army. The arrival at the camp of provisions by the wagonload from Sacramento indicated that they had received financial backing to tide them over for some time.

It was believed here that the court executed today explained the readiness of the on-to-Washington force to disperse when ordered by the sheriff of Yolo county to vacate its camp on the bank of the Sacramento river.

Davis, Cal., March 19.—Nearly 200 men comprising a portion of the anti-Kelly faction of the unemployed army, driven from Yolo Levee, appeared here unexpectedly yesterday and pitched their camp on the state farm operated in connection with University of California. There they defied Sheriff Monroe of Yolo county, to oust them, declaring they were on estate property over which Yolo county had no authority.

According to the men the plan to assemble at the State farm was formed before they consented to break camp on the levee.

### FOURTH SET OF TWINS.

Barber Feels Compensated by Old Age Prospects.

Tarentum, Pa., March 19.—When his wife yesterday gave birth to the fourth set of twins in as many years, Louis Quince, a barber, was neither peeved nor exultant. Accustomed to such events he merely shrugged his shoulders and continued shaving.

One of the latest arrivals is a boy, the other a girl. With their mother they are doing splendidly.

Quince when asked how the latest double blessing suited him, smiled and said:

"Huh, I no care; me cutta penta da hair and shava alla da time. Letta da kids come. Mucha better for da old man when da kids grow beez."

### WHIPPED HER HUSBAND.

Husky Wife's Plea is That 30-Pound Weight Bought Some Drinks.

Sunbury, Pa., March 19.—John Berger, who weighs 90 pounds, called at the office of Squire M. T. Tierney yesterday and had a warrant issued for the arrest of his wife for assault and battery. When the woman appeared in the office, the Squire saw that she weighed all of 300 pounds and had a chin that was square.

"Did you whip your husband?" asked the Squire.

"I surely did," was the reply. And she continued: "I will do it again." "We have six children, and he earns \$12 a week. Last week he got out and spent two of it for drink, and when he came home I laid him over my knee, and, furthermore, he ate breakfast standing up."

BALFOUR STONED IN FRANCE.  
Missile Thrown by boy Gashes Check of British Ex-Premier.

Nice, France, March 19.—Arthur J. Balfour, former British Premier, while proceeding in his automobile from Cannes to Nice yesterday, was struck by a stone thrown by a boy. A deep gash was cut in his nose and his cheek was badly bruised, but Mr. Balfour was able to take part in the international lawn tennis tournament.
